## Laughlin Associates' Affiliate Program

The highest compliment our clients can give us is the referral of their friends, family, and business associates.

To show you how much we appreciate and value your referrals, we have developed a lucrative affiliate program in which you can receive cash or credit toward future Laughlin services.

### Why You Should Join

Our referral program is a unique opportunity to assist your friends and associates, while receiving up to a 10% commission on services fulfilled by Laughlin Associates.

If you have associates that are in high-risk professions, small business owners, property owners, professionals, CPAs, attorneys or doctors, then Laughlin has the solutions to secure their financial future.

### 3 Easy Ways to Join

1. **Over the phone:** Call 1-800-648-0966 and ask for a consultant. Within minutes you'll become enrolled.
2. **By fax:** Simply fill out the attached membership form and mail or fax back to Laughlin Associates at 775-883-4874.
3. **Do you have a Website?** Log-on to: [www.laughlinusa.com/affiliate.asp](http://www.laughlinusa.com/affiliate.asp) and complete our easy on-line application.

### Web Based Affiliates

Laughlin Associates Affiliate Program is an excellent way to add value to your website by linking your visitors and customers to one of the best sources of corporate solutions on the web today.

We will provide you with a link, banners, ads and online account information to monitor your traffic and earned commissions to date.

## Private Seminars

Our extensive expertise in the areas of **incorporation, asset protection, and estate planning** allows us to develop educational workshops that are tailored to the needs of your unique group.

Our workshops are led by industry experts that range from CPAs and attorneys to business development consultants, asset protection specialists and estate planners.

These individuals have entertained and enlightened over 22,000 business owners, medical professionals, contractors, real estate investors, and many others to successfully implement corporate business strategies.

*Private seminars are scheduled for groups of 45 attendees or more.*
